Dear Beth:

Just a short note to thank you so much for coming to Seekonk Library last Saturday afternoon to play Guitar Hero with our teen customers.

Sharon Clarke and I both really appreciated your traveling "south" to facilitate this program, as well as your willingness to stay despite the low turnout.

As it happens, more kids came in earlier this week asking about Karaoke Revolution (they couldn't make it last Saturday), so we've decided to purchase several video games for our PS2 and we'll be starting a "club" real soon!

With renewed thanks, good luck in your new endeavors, and all best wishes for a great summer, I am

Sincerely,

Mary Ellen Siniak
